STUDENT-MENTOR MEET AND GREET

Saturday, Sept. 28th 3:30 - 5:30pm at Burlington

697 South Burlington Avenue | Los Angeles, CA 90057

In previous seasons we have had mentors from a variety of arts fields: creators, film makers, teachers, professional dancers, choreographers, Pilates instructors, business owners, talent agents, visual artists, and arts educators. The Mentor Match program has students meet with their mentors once a month for 6 months. The program culminates with a student presentation event.
