Our mission is to provide dance classes to those families who are in the lowest income brackets or qualify for at least one of the public assistance services mentioned above. However, if you are in a higher income bracket but still feel that you qualify based on your family's situation, please explain your reason here:

Students who will be age 4 – 7 by Oct. 15, 2020 are eligible to apply for Saturday classes. Please select below:

- PRE-BALLET AGES 4-7, *boys and girls together*
- BOYS MOVE AGES 4-7, *boys only, movement and conditioning*

Select all locations of interest (the more you select, the greater chance of getting into one):

Echo Park Koreatown Pico-Union Fashion District, Santee

Students who will be age 8 – 12 by October 15, 2020 are eligible for classes at our site in the Fashion District, Santee. These classes meet two times per week. Select all dance forms you're interested in:

BALLET JAZZ HIP HOP (Fashion District, Santee, only)

We do not currently have openings for students who will be ages 13-19 by October. 15, 2020, but we may be able to start a Teen Intro to Hip Hop in the near future. Check below if you are interested:

Teen Intro Hip Hop, Fashion District, Santee location only

Note for teen applicants: if you have previous dance experience in Jazz, Modern, Tap, Hip Hop or Ballet you may contact our Admin office at 213-365-2491 to request to audition for our sites in MacArthur Park, Pico-Union, Koreatown and Echo Park. Auditions are held annually in August and you will need Director approval to attend.

Additional questions for all applicants:

We are curious to learn what children in the community are currently doing after school. The questions below do not impact your child's chance for enrollment and your responses will be kept anonymous.

What activities are your children currently involved in after school?

If they are involved in an after school activity, how is it impacting them? Circle your responses below. (If they are not in other afterschool activities, please skip this section)
